### Trading Journal

| Particulars                   | Observation                              |
|-------------------------------|------------------------------------------|
| Trade Date                    | 24.08.2026                               |
| Trade Strategy Used           | Combined Strategy                        |
| Trade Status                  | Closed                                   |
| Entry Price                   | 77,708                                   |
| Exit/Current Price            | 77,197                                   |
| Profit/Loss                   | Profit                                   |
| Reason For Entering the Trade | I believed the price would fall further. |

|                                                         |                                                   |
|---------------------------------------------------------|---------------------------------------------------|
| <b>Was the Trading Plan Followed?</b>                   | Yes                                               |
| <b>What Went Well?</b>                                  | I followed my basic trading plan.                 |
| <b>What Challenges or Mistakes Did you Observe?</b>     | The market moved upward instead.                  |
| <b>What Will You Do Differently in Your Next Trade?</b> | I will improve my decision before the next trade. |
| <b>Key Learning</b>                                     | I learned from this trading experience.           |
